We employ cookies and/or small pieces of code known as "web beacons" or "clear gifs" that, on an anonymous basis, count users that have visited a page that contains these web beacons. We use web beacons to help us better manage content on the 529/ABLE plan web sites and other web sites that we maintain and to determine which content is effective. Web beacons on the 529/ABLE plan web sites

and other web sites that we maintain are not used to collect personally identifiable information about you. Finally, we may use web beacons in our HTML-based emails to let us know which emails have been opened by recipients so that we may gauge the effectiveness of our communications. If you would like to opt-out of these marketing emails, please see the instructions in the email regarding how to opt-out.

If you have not opted-out of receiving marketing messages, we may use information from our log files, cookies or web beacons to help us make those communications more useful or interesting to you.
